

COMPANY PROFILE

We make sourcing easy

www.fashionidcompany.com

ABOUT US

Fashionid Company provides seamless, reliable, and equitable turnkey sourcing, development and production services for creative entrepreneurs to turn their ideas of wearable products into finished products.

Having more than 15 years of experience in the fashion industry to help brands and wholesalers in navigating the sourcing, developing, manufacturing, quality controlling & shipment process successfully, avoiding critical errors, & removing common pain areas.

At Fashionid Company we are working and following all international standard protocols, on the ground, our team comprises of efficient people who are capable of making things possible. We have commercial awareness and together we aim for sales growth and protection of customer success.

We are not just product people, we are people's people too! We believe in respecting the people we work with and the environment we live in and we strive to always create a win-win situation for everyone involved.

We care deeply about the communities in which we operate and live according to the strong values of the company. We are passionate about people, products, and business. We love to solve problems and think outside the box and are committed to doing whatever is needed to help you build your dream business.

OUR **VALUES & VISION**

Values

Acting and taking decisions in a manner that is fair and honest. Following the highest standards of professionalism and being recognised for doing so. Integrity for us means not only financial and intellectual integrity, but encompasses all other forms as are generally understood.

We work with carefully selected suppliers and factories by maintaining all quality control protocols, many of which have worked with us for many years. We work hard to ensure that your products are made with respect for the overall environment, in good working conditions, where workers' rights are respected.

Vision

Fashionid's vision is to empower brands and wholesaler to have access to a trusted supply chain partner who can guide them, hand in hand, through the process of manufacturing high quality products in the most environmentally and socially sound manner.

Our merchandising team specializes in denims, shirts, jackets, tshirts cotton pants etc in all boyswear, menswear & womanwear categories along with mens under garments & girls women's lingerie's

Going forward, Fashionid would be the bright and preferred investment for apparel brand. Integrating vertically, Fashionid would meet quick turnaround for the discerning fast fashion customers.

WHAT WE OFFER

Sourcing

We designed our sourcing that help guide, counsel & protect you in apparel sourcing ranging from ready stock apparels, fabrics, We strive to make your buying process simple, efficient and inspiring.

Developing

Making products for over 15+ years, and our strategic planning, proven methods, constant communication, & hands-on approach will guarantee a seamless development from start to finish.

Contract Manufacturing

Based on your style and preferred order quantity, source fabrics, organize fabric dyeing & merchandising. Providing you with superb quality control to keep a close eye on contract manufacturing.

Quality Control

We have strict QC team, they are well equipped, they monitor starting from procurement to finishing and packaging, they also follow all special protocols provided by the customer if any.

Packaging

Fashionid provides full Packaging support, including label stock holding, packing, & warehousing. We can offer our clients consolidated packaging solutions. We can follow any type of packing instructions to secure a perfect arrival of the goods adapted to your needs.

Shipping

When shipping freight internationally, it's important to choose the appropriate mode of transportation to ensure your products arrive on time and at the right cost. Your decision to ship by land, sea, or air depends on a careful evaluation of business needs..
